Psalm 1:1-3

1 Blessed is the one

who does not walk in step with the wicked

or stand in the way that sinners take

or sit in the company of mockers,

2 but whose delight is in the law of the Lord,

and who meditates on his law day and night.

3 That person is like a tree planted by streams of water,

which yields its fruit in season

and whose leaf does not wither —

whatever they do prospers.

LESSON

We've learned that a righteous person:

- Choose to follow God's way instead of the way of the wicked
- Is like a strong, fruitful tree with Jesus as our living water that gives us life

However, we should avoid being like the wicked. Let's see what the Bible says about the wicked.

4 Not so the wicked!

They are like chaff

that the wind blows away.

*5 Therefore the wicked will not stand in the judgment,
nor sinners in the assembly of the righteous.*

*6 For the Lord watches over the way of the righteous,
but the way of the wicked leads to destruction.*

Chaff is a very dry plant. Has you ever picked up a dead and dry leaf then crumpled it up? What happened? The leaf breaks up into many pieces and is blown away by the wind.

The Bible tells us that bad people, the ones that don't love God, are like a dry plant that the wind blows away. It is dead. It cannot bear fruit.

We don't want to be like people that blow aimlessly in the wind. We want to be stable people — people that are planted strongly by streams of water.

"For the LORD watches over the way of the righteous, but the way of the wicked leads to destruction."
(vs 6) It is comforting to know that God watches over those that love Him.

Jesus is our righteousness. Jesus makes us good. If we choose Jesus, we will have the way of life. If we choose the way of the wicked, it leads to destruction.
